

ANSWERS

Use the words in the list at the bottom of the page to complete the sentences

Study Tip: After you complete the activity, write each word that you do not know **seven times**. It will help you remember how to spell it! Try and use as many words in your conversations.

1. The soft drink container is recyclable.
2. She performed her song for an audience.
3. If it is not mineral or animal, it must be vegetable.
4. Can you describe the rule in the sequence where the numbers are increasing and decreasing?
5. The difference between 10 and 2 is 8.
6. Many people make a living as subsistence farmers.
7. I don't have a preference between custard and ice-cream. I love them both.
8. The library book was a good source of reference.
9. Please donate the perishable food, or it will spoil.
10. Wind and water are sources of renewable energy.
11. We can learn many things by engaging in a study of science.

Find the hidden words and circle them. They are written from left to right, right to left, top to bottom, and bottom to top. Write each word you find in their box at the bottom of the page.
