ONE SENTENCE STORY

This game can be played with a minimum of two players. Before you begin, decide on a **title** for a story. For example “My Best Holiday”.

1. Each player tells the story **one sentence at a time**.
For example, "I went on holiday with my family, and discovered a beautiful shell on the beach".
2. Each player must **use 1 past tense verb** in their sentence.
3. Each player gets **one point for each sentence with a past tense verb**.
4. The entire story should have at least 11 past tense verbs.
5. The game ends when one player ends the story. **The player with the most points wins.**

Tip: Add the suffix **~ed** to change a verb to the past tense. Listen carefully to what each player is saying so you know how to build the story.
